

Sleepyhead CHIROPRACTIC HDX

WE'VE GOT YOUR BACK.®

ADVANCED BACK CARE SUPPORT

LATITUDE

MEDIUM-PLUSH

FABRIC: DRYTECH
temperature control

We've developed Dry-Tech into the fabric of our Chiropractic beds to help wick away body moisture and heat while you sleep.

KülKöte
temperature regulating technology

A water-based, breathable and non-toxic surface infusion that absorbs and releases heat energy to help manage temperature while you sleep.

Dreamfoam
environmentally friendly

A unique foam structure with a plush feel provides extra support and luxurious comfort.

TORQUEZONE: HDX
therapeutic dual support

Combining the Chiropractic endorsed Torquezone HD system with a central layer of firmer mini-pocket springs for enhanced comfort & support.

FIBRE: NUVOLE
pure comfort

Nuvole pure comfort fibres have excellent cushioning properties while releasing humidity to let your body breathe freely and eliminate 'hot spots'.

FUSION: GEL TITANIUM

New Zealand made memory foam infused with Titanium and gel particles for conforming comfort with improved support and thermal performance.

POWERBAND
enhanced postural support

Kevlar bands across critical lumbar support regions emphasizes postural support and alignment.

COMFORT: EDGE
edge to edge support

Solid foam edge provides support right to the edge of the mattress which reduces the roll out feeling

Endorsed by the NZ Chiropractors' Association for excellence in postural support

V1.11/010/21
